Revit capabilities

OUR COMMITMENT

Sitelink (M) Sdn. Bhd. continuously delivers award winning quality landscape outcomes within development duration for the client and community, acknowledged by over Malaysia Landscape Architecture Awards (MLAA), Star property Awards, ASEAN Property Developer Awards & Property Insight Prestigious Developer Awards. Among the prestigious township that we involved with are as below:

COMPLETED	
Putra Heights (Simedarby Property)	- MLAA2018
Forest Height (JEM Sunrise & MCL Land)	- APDA2020
Kota Seriemas (PNB Development)	- MLAA 2017

IN PROGRESS	
Pulau Indah Industrial Park (Central Spectrum)	- PIPDA2019
Serenia City (Simedarby property)	- MLAA2018 & 2019
	- STARproperty2020
Bandar University Pagoh (Simedarby property)	

Sitelink (M) Sdn Bhd is always ready to take any challenging landscape project of various sizes and types where to meet the satisfactory of our client.

SUMMARY

- ▶ We maintain only the best quality in our organization and we are supervised by Quality Standards Malaysia under ISO 9001:2015.
- ▶ We are registered with professional bodies, Institute of Landscape Architect Malaysia which makes us a trusted and competent landscape consultant
- ▶ Our business protected by Professional Indemnity Insurance.
- ▶ Sitelink (M) Sdn Bhd has a strong and capable team consisting up to 12 competent staff with Bachelor Degree Landscape Architecture holders
- ▶ Our team is capable in various fields from designing to technical detail using updated technology such as Autodesk Revit for BIM (Building information Modeling).
- ▶ Throughout 27 years of business, winning has become a habit for Sitelink (M) Sdn Bhd and we are moving towards award winning mentality.
- ▶ This is not only to introduce and strengthen the field of landscape architecture in construction industry, but also create a good image to our client.
- ▶ Therefore, we only provide the best service to all our stakeholders especially new and existing client.
- ▶ We are good in township landscape development with an award winning mentality and able to complete long run project.

OUR IDEAL

Since its founding, SiteLink (M) Sdn. Bhd. has been dedicated to the principle that only the greatest good and least harm should come from the use of land and that each of the projects in which the firm is involved is capable of making its contribution to that invaluable heritage of "land use wisely".

03

Private Places and Spaces: privatization of public spaces, personalization, intimate society, and home.

OUR APPROACH

Planning and designing of wise use of the land will be done through incorporating and addressing various physical, natural and cultural issues which include, but not limited to the followings:-;

01

Public/Private Issues in the Natural Environment: sustainable environments, wise use of movement and other public/private land use conflicts, green

02

Public/Private Boundary Changes: community household, pedestrian pockets, defensible space, public lives institutions, home based

04

Public Access Issues: universal design, pluralism, engendering spaces, child friendly spaces, livable streets, community design

05

Individual/Group Connections and Tensions: place attachment and identity, environmental stress, crowding, privacy degradation, territoriality.

OUR SERVICES

Due to multi disciplinary nature of the profession it is hard to specify the exact service our client can receive from us. Although we deals with plants very often but we are not gardeners. Plants are just one of the tools to design a wonderful landscape. In short we deals with the design of outdoor open spaces for human enjoyment. Our scope of services range from the following list :

01 SOFT & HARDSCAPE DESIGN

Residential housing, Corporate office, Institution

02 PARK & RECREATION PLANNING

Memorial park, Theme park, Public park

03 REGIONAL LANDSCAPE PLANNING

Landscape resource inventory and analysis study, Visual impact assessment

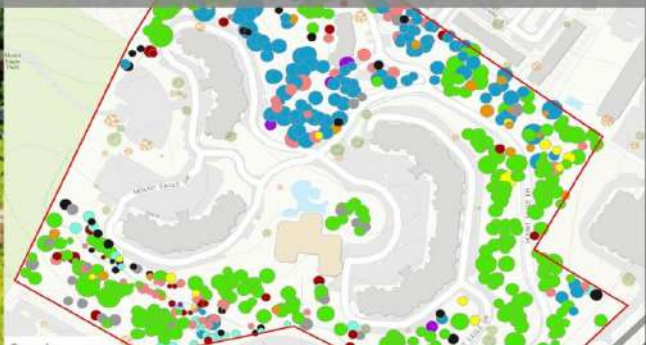

04 LAND RECLAMATION

Mining reclamation, Landfill reclamation

05 SPECIAL PROJECT

Geographic Information System (GIS) application, Computerized tree inventory and management

06 LIASON WITH ARCHITECT, ENGINEER & OTHER SPECIALIST

07 OVERALL LAYOUT PLANS

Draft Working Drawings

08 CONSTRUCTION DETAILS

Details Working Drawings
